I love the class sizes and small community atmosphere. The office staff is polite and easy to get ahold of with any needs or paperwork that comes about. The fine arts teachers are just as easy to get in touch with if assignments are missing or if a behavior needs to be addressed. I appreciate the entire Port Royal staff for their parent support, and for the care they show for the students.	1/10/2021 9:12 PM

1	Instead of focusing on what's going on in the world today, students in sc should be more focused on. I understand this year was tough with covid and transforming into a hybrid student from home but the grading that sc has on these kids with such a difficult issue going on in the world is horrible. I believe these kids try hard at home and with internet issues and trying hard to do well in school is difficult on them because of such uncertainties. My child has always been an A or A, B student and to see his grades go all the way down to C's and D's because of late work, and internet issues and trying his best to do his best is hard on these kids. I know that teachers are made to grade from a sc curriculum but with all these kids had to deal with this school year their should be a better way to keep their spirits up and want to try harder in school, than to discourage them with such bad grades. Improvement in sc schools all around should be a definite top priority.	1/14/2021 8:23 PM
2	One thing that upset me was how often the children swapped teachers. Beaufort Middle lost a teacher which is understandable. Port Royal Elementary swapped the kids twice and when I requested my child to stay where she was the principle denied my request. This is unacceptable. The Asst Principle in not welcoming to all parents. She's walked past me and didn't speak. The technology department for the District is never available.	1/12/2021 1:26 PM
